Songs of Experience (Illuminated Manuscript with the Original Illustrations of William Blake)

William Blake

This carefully crafted ebook: "Songs of Experience (Illuminated Manuscript with the Original Illustrations of William Blake)" is formatted for your eReader with a functional and detailed table of contents.

Songs of Experience is the second part of Songs of Innocence and of Experience: Shewing the Two Contrary States of the Human Soul (first published in 1794), an expansion of Blake's first illuminated book Songs of Innocence. The poems and artwork were reproduced by copperplate engraving and colored with washes by hand. Blake republished Songs of Innocence and Experience several times, often changing the number and order of the plates. The spellings, punctuation and capitalizations are those of the original Blake manuscripts.

William Blake (1757 – 1827) was a British poet, painter, visionary mystic, and engraver, who illustrated and printed his own books. Blake proclaimed the supremacy of the imagination over the rationalism and materialism of the 18th-century. Largely unrecognised during his lifetime, Blake is now considered a seminal figure in the history of both the poetry and visual arts of the Romantic Age.
