States of Confusion: My 19,000-Mile Detour to Find Direction Paul Jury

Rather than deal with the problems he was facing as a recent college grad, Paul Jury decided to leave them in his rearview mirror. He might not have known the direction his life was headed, but he knew the route he was taking to hit all forty-eight contiguous states on one epic road trip.

Filled with plenty of adventure and the unforeseen obstacle (or twelve), *States of Confusion* puts you in shotgun to see where the road takes Paul. All he knows - after crashing on the beer-soaked couch of his younger brother's frat - is that there's no going back.
