The Initiate: Some Impressions of a Great Soul Cyril Scott

The Initiate presents the unfolding story of the fascinating and mysterious personality known as Justin Moreward Haig. The story is of absorbing interest to students of the spiritual path because they learn that Mahatmas and Masters do not live in seclusion, nor are they necessarily well-known teachers and authorities. The spiritual path can be found by people of diverse nationalities and races. Here we learn the veiled history of an Adept who lived and worked within his community, hiding his true identity for the convincing reason discussed in this book. Also included are excerpts from the discourse of the author's Master, in which some of the most profound truths are stated in an original and compelling manner.
