From the tallest castle to the deep sea, from hot desert canyons to cool tropical bayou, from tranquil lake to a sparkling city, there are a lot of magical places to see! Also, discover the most lovable characters and creatures along the way – a fishing bear, a flying whale and turtle, a boy and his pet dragon, a gypsy princess with her dancing dog – just to name a few.

**Inspired by children's fantasies and drawn in classic children's book illustration style, this coloring book gives you a bundle of super fun pages dedicated to your coloring enjoyment!**

## **Important note:**

This book is printed on regular white paper stock by CreateSpace, so it's not recommended to color the pages using watercolor or any other water-based coloring tools. Each illustration is printed on a single page (leaving the other page blank) to minimize "bleed-through".
