## **Entendendo O Livro De Rute (Portuguese Edition)** Márcio José Pinheiro

É surpreendente perceber que em toda Bíblia existem apenas dois livros que levam o nome de mulher – Rute e Ester. Interessante é também notar que esses dois livros estão situados no Antigo Testamento em tempos em que a mulher tinha pouca importância na sociedade patriarcal, onde o papel do homem é relevante; Devido ao envolvimento divino na história da humanidade, Deus resolveu deixar registrado nas Sagradas Escrituras, personagens do sexo feminino que, mereceram ter seus nomes registrados, onde Deus usa da história dessa e de outras personagens para fazer cumprir os seus divinos desígnios. Rute foi uma moabita que no contexto bíblico, era tida como uma gentia que casou-se com um judeu e se tornou a bisavó do rei Davi e conseqüentemente a ancestral de Jesus Cristo. O livro de Rute é um livro de fácil e de agradável leitura e, longe de ser apenas um conto ou uma história de amor narrado nos textos bíblicos, é um fato ocorrido na história desse judeu, fazendo parte dos livros canônicos da Bíblia. Assim, esperamos que após a leitura deste livro, possam entender com mais detalhe os fatos narrados e principalmente saber que nosso Deus intervém na história de seu povo, isto é, na história daqueles que o aceitam como seu único Deus
