The Wild in You: Voices from the Forest and the Sea Lorna Crozier

A testament to the miraculous beings that share our planet and the places that they live, *The Wild in You* is a deeply-felt creative collaboration between one of our time's best nature photographers and a very talented and creative poet. Inspired by the majestic and savage beauty of Ian McAllister's photographs, Lorna Crozier translates the wild emotion of these images into the language of the human heart: poetry. Featuring over 30 beautiful full-size photographs of wolves, bears, sea lions, jellyfish, and other wild creatures paired with 30 original poems, *The Wild in You* challenges the reader to a deeper understanding of the connection between humans, animals, and our shared earth.
