## **Immigration (Uncovering the Past: Analyzing Primary Sources)** Lizann Flatt

From about 1820 to its height in the early 1900s, the United States and Canada experienced a huge influx of people from other countries seeking to become citizens. This fascinating book details the historical evidence that helps explain why there was a mass migration of people from around the world. Readers will learn how prejudice and circumstances at the time of an event can influence people's interpretation of evidence.
