Patients with fractured souls, clients threatened by deadly ancestor spirits, and now the paparazzi - it's all in a day's work for techno-shaman Olivia Lawson. Livvy has rocketed to the top of the shaman world, bringing old friends with her but also attracting new enemies.

Even as her career soars, her personal life spirals downward. Broken bonds and lost love finally force her to confront the terrible secret of her beginning in shamanism. Despite being attacked by dark shamans and navigating a spiritual plane that seems out of control, Livvy's single-minded quest steers her into dangerous territory and puts her on a collision course with those dearest to her.

No longer able to walk a fine line, Livvy discovers that when the one thing you need is the one thing you can't have - you'll risk everything.
