The Battle of New Orleans: Andrew Jackson and America's First Military Victory

Robert V. Remini

The Battle of New Orleans: Andrew Jackson and America's First Military Victory Robert V. Remini
The Battle of New Orleans was the climactic battle of America's "forgotten war" of 1812. Andrew Jackson led his ragtag corps of soldiers against 8,000 disciplined invading British regulars in a battle that delivered the British a humiliating military defeat. The victory solidified America's independence and marked the beginning of Jackson's rise to national prominence. Hailed as "terrifically readable" by the **Chicago Sun Times**, **The Battle of New Orleans** is popular American history at its best, bringing to life a landmark battle that helped define the character of the United States.
