Christianity and Eros

Philip Sherrard

Christianity and Eros Philip Sherrard

Essays on the theme of sexual love.

In spite of the fact that marriage is recognized as a sacrament by the Church, the attitude of Christian thought towards the sexual relationship and its spiritualizing potentialities has been in practice singularly limited and negative.

In this book the author does not provide a systematic theology of sexual love but indicates some of the considerations and principles that must be taken into account before such a theology can be adequately formulated.
