Grow Your Own 6-Pack: 'cause Beer Don't Grow on Trees! (Running Press Mini Kit) Albin Sadar

It's a dream come true for all the do-it-yourselfers out there who'd rather pluck fresh, cold 6-packs from the ground than haul themselves all the way from the beer store. The kit comes with 6 aluminum can tabs to plant as "seeds," plastic 6-pack ring to latch the crops together, shovel for planting, mini beer mug, a plant marker, and a 32-page *Olde Beer Farmer's Almanac*, all of which make for a fantastic gift purchase. Beer is the number one drinker's-beverage-of-choice, and this hilariously tongue-in-cheek kit will be a hit with that huge, proud guzzlers market (also known as Happy Hour regulars). Compared to other 6-packs, this is the cheapest and the only one that doesn't require a photo ID, which also makes it the easiest 6-pack to buy and call your own. A great gift for Father's Day, and guaranteed to get your guy to help with the gardening!
