Epic: The Storyline of the Bible (Bible Savvy Series) James L. Nicodem

To many people, the Bible is a series of incongruous and confusing stories. It jumps from one person or place to the next leaving the reader scrambling to keep up and make sense of it all. That's a tall task.

Epic provides a big picture view of the Bible to explain how its individual pieces fit together. Is it really possible that the Bible's collection of 66 books actually has a single storyline? Yes! The theme of that storyline is redemption, and *Epic* traces it from Genesis to Revelation.

Discover in the opening chapters of the Bible why redemption became humanity's desperate need. Learn how God set this rescue effort into motion through promises He made to Abraham. Follow the unfolding of these promises through Old Testament history. Note the role of the prophets, from Isaiah to Malachi, in the overall drama. Witness Jesus Christ bringing redemption to a climax.

Perfect for believers at any stage, small group leaders, and those discipling others, *Epic* will open your eyes to the way all the different parts of scripture contribute to a single story that can change your life.
