Haunted Deadwood:: A True Wild West Ghost Town (Haunted America) Mark Shadley, Josh Wennes
The Wild West may be tamed, but Deadwood's notorious past has not relinquished its hold on its corner of the Badlands or its place in popular imagination. And no wonder. If Wild Bill Hickok found its streets a little too rough, it should come as no surprise that the gamblers, gunslingers and general mischief-makers who put down roots at Deadwood's saloons and brothels did so in a ferocious and unforgettable manner. Mark Shadley and Josh Wennes prospect for ghostly activity as industriously as the town's former inhabitants dug for gold--and strike it just as rich. Greet Calamity Jane, Al Swearingen and a host of other characters as ready-made for haunting as they ever were for television.
