Taking Cystic Fibrosis to School Cynthia S. Henry, Tom Dineen, Tom Dineen, Cynthia S. Henry

These beautifully illustrated and fun-to-read storybooks simplify and normalize complicated childhood conditions, like cystic fibrosis. When read aloud, other children can identify why a peer may be treated differently and begin to empathize with them. In addition, children whose conditions set them apart as being different begin to feel accepted and safe. Each book includes a Kids' Quiz to reinforce new information and Ten Tips for Teachers to provide additional facts and ideas for teacher use.

In *Taking Cystic Fibrosis to School*, Jessie explains to her classmates that even though she has cystic fibrosis, she can still attend school.
