**There is a historic life movement coming to the body of Christ!**

**To be pro-life is to be *pro-child*.**

Since 1973, the church has protested *Roe v. Wade*—the US Supreme Court case that declared on-demand abortion as a right.

The church is commanded to stand against darkness, but it also has an authority and responsibility to shine brightly and drive out the shadows.

It's time for a new, proactive life movement that answers the critics and empowers the church to walk out the mandate of Malachi 4:5-6, turning our hearts toward the children.

Randy and Kelsey Bohlender share their inspiring story of embracing the call to be *pro-child*. This book will mobilize you to join the body of Christ and:

- Break the orphan spirit upon a generation
- Sift through the facts and myths about adoption
- Play your unique role in raising up the Moses' in this hour
- Adoption is the next frontier for those who call themselves pro-life.

**Take your place in ushering in this historic life movement!**
