Live! From Planet Earth

George Alec Effinger

Live! From Planet Earth George Alec Effinger

George Alec Effinger was a true master of satirical Science Fiction. Before his death in 2002, he gained the highest esteem amongst his peers for his pitch-perfect stylistic mimicry and his great insight into the human condition. Despite a life filled with chronic illness and pain, Effinger was a prolific novelist and short story writer, earning multiple Nebula and Hugo Award nominations.

LIVE! FROM PLANET EARTH represents a very special look at the many works of this unique genius. These 22 short pieces have been specifically selected and introduced by his fellow writers and editors, from Michael Bishop to Jack Dann, Mike Resnick to Neil Gaiman. Each writes about his or her memories of Effinger and his legacy.

Included are “The Aliens Who Knew, I Mean, Everything” in which Earth is visited by benevolent aliens who happen to have annoying opinions about everything. “Everything but Honor” goes along as a black physicist time-travels to 1860 to murder a Civil War general. Also included here are Effinger’s O.Niemand stories, which perfectly mimic the styles of Steinbeck, Hemingway and Twain. The results are a tour de force sure to please existing fans and make new fans of anyone who reads them.
