William Holden

A Twist of Grimm: Erotic Fairy Tales for Gay Men William Holden

The stories that delighted us as boys, now told with a sensual edge for us as men!

"The Glass Coffin". "The Elves". "Fitcher's Bird". Old fairy tales that might provoke a wistful grin at their magical storytelling. Author William Holden has breathed new life into such stories in *A Twist of Grimm*, and his retellings strike true, like Eros's arrow: below the belt. Herein are such tales as "Wicked Little Tongues" - a shoemaker discovers new lust brought on by a pair of diminutive trolls - and "The Flaccid Cock that Sang" - sibling rivalry, a magic sword, and, of course, a lifeless prick that needs rescuing.

Randy princes, well-hung knights, and fairies in every sense of the word await you. A finalist for the Lambda Literary Award for Best Gay Erotica!
