Odyssey: New Age Piano Interpretations of Traditional Music from Around the World (New Age Series)

Our most popular New Age composer has produced another great collection of intermediate level works for pianists. Included in this collection are seven arrangements (four brand new) of familiar melodies from seven countries. Each is beautiful, reflecting the nature of the country, making this book a sure favorite of pianists. Scott even includes information on each tune, describing its derivation and uses in the native country.
