Featuring hundreds of personal anecdotes by Latino college students against a backdrop of information on their culture, history, and academic needs and strengths, this book offers a compelling and exacting view of the world of Latino students and their families.

- Introduces readers to the experiences of Latino students through personal interviews and autobiographical essays
- Provides an overview of the culture, history, and linguistic practices of U.S. Latinos
- Presents a non-technical summary of the needs and strengths of Latino students as identified in the research literature
- Provides concrete examples of the strategies and tools used by Latino youth to deal with adversity and succeed in life
- Takes real-world situations to demonstrate how the actions of educators and other adults help or hinder these students
