Have Atheists Proved There Is No God? ...a critical study of the strongest argument which has been advanced in favor of atheism Thomas B. Warren

Atheists have but one argument: "The problem of evil." In this brief but complete critical study of the argument, Dr. Warren treats every facet of the argument with devastating logic, and refutes the atheistic case.

With questions regarding Intelligent Design versus Darwinism prevalent in today's society, this classic still stands as an important resource for the Christian who stands in defense of the truth in today's world.
