I Love You More Laura Duksta

Experience the bestseller that has sparked the conversation of love around the world!

I love you brighter than the brightest star ever shone.
I love you more, so much more than you've ever known.

Were you ever told, "You know I love you?" Or have you ever felt that you did not tell someone you loved them enough? Reach out and embrace I Love You More, a timeless gift you will share again and again.

Too often love is assumed and not spoken. Love should be seen, heard, felt, sensed, shown, expressed, talked about-and more! Reading I Love You More will become a game, a conversation of love, that people, especially parents and children, can share for years.

This cleverly conceived flip story, which ends in the middle and starts from either side, will show you what love looks like from both a child and a parent's perspective. With a simple, touching story, rhyme and rhythm, and vibrant child-like illustrations, this book will be treasured by anyone who has ever said "I love you" and heard the best response in the world: "I LOVE YOU MORE."

From reader reviews:

Phyllis Kelly:

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era that is always change and advance. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what kind you should start with. This I Love You More is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Aaron Covington:

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is from the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take I Love You More as the daily resource information.

Austin Barnes:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their very own friends. Usually they performing activity like watching television, about to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Could be reading a book could be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the book untitled I Love You More can be good book to read. May be it can be best activity to you.

Adam Hay:

As we know that book is very important thing to add our information for everything. By a book we can know everything we wish. A book is a group of written, printed, illustrated or even blank sheet. Every year was exactly added. This reserve I Love You More was filled in relation to science. Spend your extra time to add your knowledge about your scientific research competence. Some people has various feel when they reading any book. If you know how big benefit of a book, you can feel enjoy to read a book. In the modern era like today, many ways to get book that you just wanted.
