## **Israel do Brasil (Portuguese Edition)** Israel Kuperman

Em sua interessante, variada e intensa trajetória de vida, que se desenrola num paralelo ao crescimento econômico e social do Brasil, da década de 1940 até a atualidade, Israel Kuperman, engenheiro, juiz e fazendeiro, descendente de imigrantes e "filho do Holocausto", usa muito a metáfora de "tribo" para descrever suas interações familiares e sociais. Partindo da mesma metáfora, Israel seria nesta mesma tribo um "anceão", não no sentido cronológico, mas no que se refere à sua profunda sabedoria: um avô que todos teriam prazer em escutar. Generoso, Israel compartilha com os leitores não somente "causos" divertidos e memórias impagáveis de seus encontros com personalidades, como também seu agudo espírito de observação e os segredos que nortearam sua bem-sucedida trajetória empresarial.
