Tom has loved Jessica since high school. And sixteen years later he still does. But Jess sees Tom as her best friend - a chum. Tom is certain she'll never view him as anything else, and he's too afraid of possibly ruining their friendship to tell her how he really feels. As a successful chef in Manhattan, Jessica Stewart has reached her professional goals - but her biological clock is ticking. In need of a husband, Jessica decides an online dating service is the answer. Since Tom knows her better than anyone else does, she seeks his help in completing the questionnaire. Can Jessica learn to trust God - instead of the Internet - for love? Can Tom fulfill his promise to Jessica's father to protect her, even if she's determined to find love on-line?
