Italia Utopia Di Cambiamento (Italian Edition) Giuseppe D'Angelo

Il tema di questo libro si evince chiaramente dal titolo e sottotitolo. • E' un quadro dell'attuale situazione politica, economica, civile, morale dell'Italia. Una dimostrazione di come la cattiva gestione e distribuzione del denaro pubblico, le macroscopiche disuguaglianze, gli sprechi siano la causa principale dei grossi problemi del nostro paese. • E' lo sfogo di un semplice cittadino che tenta di far sentire la sua voce in mezzo a quelle dominanti di politici, giornalisti, intellettuali che da soli fanno il bello e il cattivo tempo, a dispetto della stragrande maggioranza della gente. • E' il desiderio e la speranza di un cambiamento, a partire dalla conversione personale di ciascun cittadino (dal politico al netturbino) nel proprio agire quotidiano, per costruire un mondo più giusto, più civile, più onesto e più pulito fisicamente e moralmente.
