## **Performance Measurement: Building Theory, Improving Practice: Building Theory, Improving Practice (ASPA Classics (Hardcover))** Patria de Lancer Julnes, Marc Holzer

This volume in the "ASPA Classics" series compiles the most influential contributions to the theory and practice of performance measurement that have been published in various journals affiliated with the American Society for Public Administration. The book includes major sections of original text along with the readings, and provides students and practitioners with a handy reference source for theory development and practice improvement in performance measurement. The coverage is broad, including methods and techniques for developing effective performance measurement systems, building performance-based management systems, and sustaining performance-based budgeting. The articles are all classics in the field that have endured the test of time and are considered 'must reads' on performance measurement.
