In his little black book, she finds a single address and phone number: that of Your Favorite Girl, Inc. Assuming it's an escort service, Melissa gives them a call, only to find she's stumbled upon a secret corporation dedicated to engineering the most erotic sexual creatures in the history of man. She makes an appointment. Then she makes a purchase. When her order arrives that evening, Melissa makes another bad decision that leaves her husband dead and the company out for her blood. Now she's being held captive by the company's executives, and she doesn't know what she'll have to do to stay alive.
