**Aesop's Anthropology: A Multispecies Approach (Forerunners: Ideas First)** John Hartigan Jr.

*Aesop's Anthropology* is a guide for thinking through the perplexing predicaments and encounters that arise as the line between human and nonhuman shifts in modern life. Recognizing that culture is not unique to humans, John Hartigan Jr. asks what we can learn about culture from other species. He pursues a variety of philosophical and scientific ideas about what it means to be social using cultural dynamics to rethink what we assume makes humans special and different from other forms of life. Through an interlinked series of brief essays, Hartigan explores how we can think differently about being human.

Forerunners is a thought-in-process series of breakthrough digital works. Written between fresh ideas and finished books, Forerunners draws on scholarly work initiated in notable blogs, social media, conference plenaries, journal articles, and the synergy of academic exchange. This is gray literature publishing: where intense thinking, change, and speculation take place in scholarship.
