Manuela Ruz Gómez

Alojamiento y lavandería. Vol. 2 (Lavandería) (Hostelería y Turismo) (Spanish Edition) Manuela Ruz Gómez

El departamento de pisos de una empresa de alojamiento turístico, además de realizar la limpieza de las instalaciones, habitaciones, zonas nobles e interiores de la misma, se encarga del lavado y la limpieza de la ropa (tanto la propia del hotel como la del cliente). En este volumen se exponen de manera práctica, clara y sencilla las actividades del departamento de lavandería y lencería relativas a los procesos de lavado, secado, planchado, acabado y presentación de la ropa, así como de la gestión del almacén. Así mismo, se abordan los conocimientos que debe manejar el personal de este departamento, como son, entre otros: tipos de fibras, comportamiento de las ropas en el lavado y en el planchado, realización de arreglos de costura, manejo de las distintas máquinas que han de utilizar, productos químicos de lavado y prevención de riesgos laborales. Esta obra está especialmente pensada para los alumnos de la titulación de formación profesional básica de Alojamiento y Lavandería, no obstante, resultará de gran utilidad para cualquier profesional en el campo de la hostelería y el turismo.
