L'Ange: Book Two

Only a privileged few know L'Ange's head of security, Arman de Soto, is a shifter, and even fewer know he's been systematically killing off a pack of werewolves. The reason for this vengeance is a secret Arman trusts with no one, quite the opposite of his obvious longtime pursuit of the chateau's overseer, Linus Hobbes. Despite Arman's reputation as a loner, the only thing he needs to complete his life is Linus. Predator and prey just don't mix, but Arman won't give him up.

Linus has lived alone for more than seven years, sheltered at L'Ange under an assumed name and hiding secrets of his own, including his terrifying attraction to the most dangerous man he's ever met. Arman knows Linus should be afraid of the predator stalking him, but Linus is still drawn to him like a moth to a flame no matter how much he tries to deny his instincts. It's not until Linus's past and Arman's crusade exposes their secrets and opens L'Ange to attack that Arman realizes waiting any longer is a risk he just can't take. So he'll have to take his quest to the source of the threat in a gamble to protect L'Ange, Linus, and any future they might have together.
