Forever Doomed: Under the Moonlight, Book 2 MaryAnn Kempfer

It's not wise to wander the cruise ship *Forever* alone at night. You might not live to see daylight.

Detective Jack Harney agrees to do an old Army buddy a favor. Curt Noble had some personal business to attend to, he didn't say what. What he did say was he needed someone to temporarily take over his duties as head of security on the struggling cruise ship *Forever*. Jack hesitates, but he owes Curt his life, so he agrees. He's told the worst mischief he can expect to encounter will be the occasional shoplifter, or drunk. Instead, one week into the cruise, a beautiful redhead and a member of the crew are ruthlessly murdered. Are the two murders connected? It's up to Jack to find out. He must find the killer before the ship returns to Tampa's port, or worse, before another dead body is found.

Jack can handle a murder or two, but that's not all on his plate: Cookies, cakes, and custard are being sabotaged, an ex-girlfriend is on board for a large wedding and wants to "talk", and a murder suspect is trying really hard to get into his tan Dockers. Can Jack remain focused and catch a killer, or will someone get away with murder, not to mention serious brownie abuse?

Forever Doomed will keep you guessing until the very end.
