Magnolia Wednesdays Wendy Wax

From the *USA Today* bestselling author of *While We Were Watching Downton Abbey* comes a wonderfully entertaining book about what to do when life comes at you full swing.

At forty-one, Vivian Armstrong Gray's life as an investigative journalist is crumbling. Humiliated after taking a bullet in her backside during an exposé, Vivi learns that she's pregnant, jobless, and very hormonal. This explains why she says 'yes' to a dreadful job covering suburban living back home in Georgia, a column she must write incognito.

Down South, it's her sister's ballroom dance studio that becomes her undercover spot where she learns about the local life-and where unexpected friendships develop. As she digs up her long buried roots, she starts to wonder if life inside the picket fence is really so bad after all.
