## **Redes sociais, segregação e pobreza (Portuguese Edition)** Eduardo Marques

Este livro sustenta a centralidade da sociabilidade para a compreensão das condições de pobreza urbana, tanto no que diz respeito ao acesso a bens e serviços obtidos via mercado quanto no provimento aos indivíduos de elementos oriundos de trocas e apoio social. Embora essa afirmação possa parecer simples a um leitor não especialista, que considere evidente que o cotidiano dos indivíduos influencia as suas condições de vida, os principais debates acadêmicos sobre o tema foram construídos de tal forma que acabaram por apontar em outras direções.
