Vimy

Pierre Berton

Vimy Pierre Berton

One chill Easter dawn in 1917, a blizzard blowing in their faces, the four divisions of the Canadian Corps in France went over the top of a muddy scarp known as Vimy Ridge. Within hours, they held in their grasp what had eluded both British and French armies in over two years of fighting: they had seized the best-defended German bastion on the Western Front.

How could an army of civilians from a nation with no military tradition secure the first enduring victory in thirty-two months of warfare with only 10,000 casualties, when the French had lost 150,000 men in their unsuccessful attempt? Pierre Berton's haunting and lucid narrative shows how, unfettered by military rules, civilians used daring and common sense to overcome obstacles that had eluded the professionals.

Drawing on unpublished personal accounts and interviews, Berton brings home what it was like for the young men, some no more than sixteen years old, who clawed their way up the sodden, shell-torn slopes in a struggle they innocently believed would make war obsolete. He tells of the soldiers who endured horrific conditions to secure this great victory, painting a vivid picture of trench warfare. In his account of this great battle, Pierre Berton brilliantly illuminated the moment of tragedy and greatness that marked Canada's emergence as a nation.

From reader reviews:

Mary Alexander:

Book is actually written, printed, or illustrated for everything. You can recognize everything you want by a guide. Book has a different type. To be sure that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A publication Vimy will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think which open or reading some sort of book make you bored. It is not make you fun. Why they can be thought like that? Have you looking for best book or appropriate book with you?

Robin Curtin:

Your reading sixth sense will not betray an individual, why because this Vimy guide written by well-known writer whose to say well how to make book which can be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still hesitation Vimy as good book but not only by the cover but also with the content. This is one publication that can break don't ascertain book by its include, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

Lavonne Yates:

This Vimy is brand-new way for you who has intense curiosity to look for some information since it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Vimy can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books create itself in the form and that is reachable by anyone, yeah I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book style for your better life in addition to knowledge.

Donna Wright:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book has been rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but also novel and Vimy or even others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science e-book was created for teacher or perhaps students especially. Those ebooks are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes Vimy to make your spare time much more colorful. Many types of book like this one.
