Way More than Luck: Commencement Speeches on Living with Bravery, Empathy, and Other Existential Skills

Way More than Luck: Commencement Speeches on Living with Bravery, Empathy, and Other Existential Skills

The commencement speech is the most popular public address of our time, shared every spring and remembered for years. Here, in an anthology of some of the finest of the genre, brilliant creative minds in every sector offer their wisdom: David Foster Wallace on living a compassionate life, Debbie Millman on the importance of taking risks, Michael Lewis on the responsibility that good fortune merits—and so many other greats. Some of this advice is grand (believe in the impossible), and some of it is granular enough to check off a life list (donate five percent of your money or your time). All of it is universally uplifting. Handsomely packaged with a silkscreened cloth spine and energetic typography throughout, this book is a smart, special gift for graduates and anyone embarking on a new adventure.

Includes speeches from: Dick Costolo, Nora Ephron, Ira Glass, Khaled Hosseini, Barbara Kingsolver, Madeleine L'Engle, Michael Lewis, Debbie Millman, Eileen Myles, Jonathan Safran Foer, Michael Uslan, David Foster Wallace, Bradley Whitford, and Tom Wolfe.
