When You Have Outgrown Him deals head-on with a major relationship issue: women who outgrow their mates. Author Dr. Kimberly Ventus-Darks unravels this taboo subject and provides a clear guide to evaluating whether to stay or go. A helpful companion for the many women that are embarrassed to admit they may have chosen poorly, or are still with mates who are not mature or responsible, this book helps women deal with conflicting feelings over men that are often loving fathers, committed family men, and hard workers. Ventus-Darks uses women's real-life stories to help readers sort out the pros and cons and reflect on their personal situations. More than a guide to action, *When You Have Outgrown Him* also addresses why women feel they've outgrown their mates, in addition to discussing marital imbalances, the ten ways couples sabotage relationships, and practical solutions. With this insightful information on why women choose to leave, the three proven options for women who stay, and more, this is the one resource that women who are conflicted about their mates need to have.
