## **At Fault (Penguin Classics)** Kate Chopin

Thérèse Lafirme, a beautiful and resourceful Creole woman, is widowed at age thirty-two and left alone to run her Louisiana plantation. When Thérèse falls in love with David Hosmer, a divorced businessman, her strong moral and religious convictions make it impossible for her to accept his marriage proposal. Her determined rejection sets the two on a tumultuous path that involves Hosmer's former wife, Fanny. *At Fault* is both romantic and filled with stark realism—a love story that expands to address the complex problem of balancing personal happiness and social duty—set in the post-Reconstruction South against a backdrop of economic devastation and simmering racial tensions. Written at the beginning of her career, *At Fault* parallels Chopin's own life and introduces characters and themes that appear in her later works, including *The Awakening*.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
