Los Frutos de la Adoracion (Spanish Edition)

Abdullah Aymaz

Los Frutos de la Adoracion (Spanish Edition) Abdullah Aymaz

Emphasizing the character of the religion of Islam as consisting of faith and practice, this book analyzes thoroughly the five most important pillars of Islam that form the core of Islamic life, namely the profession of faith, the prayer, which is the first practical manifestation of faith, fasting, charity, and pilgrimage to Mecca. Explaining lucidly the necessity of fulfilling these pillars of Islam with the intention of pleasing God and purely for His sake, the author gives us insights into the moral, spiritual, psychological, physical, individual, and social aspects of these five central practices of Islamic worship in the context of our modern age of globalization. Enfatizando el hecho de que el Islam consta de la fe y la práctica, este libro analiza exhaustivamente los cinco «pilares del Islam» que constituyen el núcleo de la vida islámica, a saber, el testimonio de fe, la oración, la cual es la manifestación práctica de la fe, el ayuno del mes de Ramadán, la limosna purificadora prescrita y la peregrinación a La Meca. Afirmando la necesidad de cumplir con estos «pilares» del Islam con la intención de complacer a Dios y sólo por Él, el autor nos brinda una percepción lúcida de los aspectos morales, espirituales, psicológicos, físicos, individuales y sociales de estas cinco prácticas fundamentales de culto islámico en el contexto de nuestra era moderna de la globalización. ¿Porqué este libro es tan importante? El libro trata de muchas preguntas que fascinan a los creyentes con respecto a la creencia y la práctica islámicas. ¿Cuál es el poder de la religión con relación a la erradicación de los malos hábitos? ¿Necesita Dios nuestras oraciones? ¿Cuál es la sabiduría Divina que subyace en los tiempos designados de las oraciones diarias prescritas? ¿Cuáles son los beneficios de la limosna purificadora prescrita para los benefactores y los destinatarios? ¿Cómo el ayuno fortalece el sistema inmunológico del cuerpo y lo protege de enfermedades? ¿Está permitido considerar la peregrinación como un foro de temas sociales, económicos y otros temas cívicos del mundo musulmán?
